Re: Update: Formulary Changes

The following products were removed from the Keystone First CHC drug formulary.

This change was effective **July 31, 2025**. Participants for whom it is not medically advisable to stop therapy should evaluate covered, prescription topical lidocaine products on the formulary.

| Formulary Removals | |
|--------------------|---|
| Product List | Alternative Product(s) |
| Lidocaine 3% cream | Lidocaine Jelly ^{AR} Lidocaine Ointment Lidocaine (topical) Solution |

Please refer to the most recent drug formulary available on-line at:

www.keystonefirstchc.com → For Providers → Pharmacy services
