RE: Update: Formulary Changes

The following products will be removed from the Keystone First and Keystone First Community HealthChoices drug formulary.

Members or Participants currently receiving the product listed below will require a new prescription for an alternative product before **September 13, 2021**. Members or Participants for whom it is not medically advisable to change therapy will require prior authorization to continue to receive coverage for the formulary changed products.

Formulary Removals	
Product List	Alternative Product(s)
Hylavite oral tablets	b complex-c-folic acid oral tablets, super b-complex/vit c/fa oral tablets

Additional prior authorization criteria may apply. Please refer to most recent drug formulary and prior authorization information available on-line at:
